PLAYER BIOGRAPHY

Mario Williams is a 6'6" combo guard who began his career at Sauk Valley Community College before taking his game overseas to Cape Verde, where he played professionally for the Ponta D'Agua Gorillas in the Cape Verde-Praia League. That international experience set the foundation for a professional career that has since brought him back to the United States.

Since returning stateside, Mario has played for the Tallahassee Southern Kings and Raleigh Firebirds in the TBL, most recently posting 9.0 points and 3.5 rebounds per game with Raleigh in 2025. He also represented Team Dallas in the 2025 Eurobasket Summer League in Las Vegas, continuing to build his professional resume on both domestic and international stages.

With size at the guard position and a track record of adapting to different competitive environments – from JUCO to international pro ball to the TBL – Mario brings a versatile, well-traveled skill set to any roster.
